'Ice Cream' Magazine

A major benefit of membership is that you will receive this magazine on a monthly basis. As you know, it is the only publication of its kind dedicated to the ice cream industry and is a great way to keep up-to-date with commercial and technical news and developments. Also, as a member, you are entitled to free classified advertising; useful to move on that surplus to requirements item or find something you need to buy.

Take advantage, it works.

Free or discounted entry into National Ice Cream Competition

One aspect of the ICA membership that is valuable to many members is the chance to compete in the prestigious annual National Ice Cream Competition against your peers and demonstrate your ice cream making skills and creativity. Having a certificate, medal or even a trophy to show to your customers can work wonders for sales!

ICA Annual Exhibition

The competition coincides with the annual conference and trade show which brings together a whole range of suppliers under one roof to enable you to meet with them and make sure that you know about all the latest innovations and developments to help you in your business.

Local social events and support

Last, but not least, being in the trade, you will appreciate the need for hard work, but all work and no play makes Jack a dull boy. Your membership also provides opportunities to play a little via a range of social events at both regional and national level

Access to the wealth of knowledge and experience available through the ICA, whether it is from the dedicated team here in Derby or from other members across the UK and overseas.

Work -Trike Insurance

We pride ourselves on providing niche Insurance solutions to all types of business and industries that the general market will not normally consider.
