**Please CALL your preferred collection point before dropping your sample off.**

**Important Information: Competitors should check first with their collectors in case there are any last-minute changes. When taking your sample to the collection point you should make sure that it arrives in good condition. Dry ice or ice salt should be used for this purpose but should not be too close to the sample. The frozen courier will be taking samples from the collection points to Derby Head Office apart from Northern Ireland who are delivering directly to Derby Head Office. The entry fee includes a contribution towards transport so it is not necessary to hand in further monies to collecting points who are providing this service to the ICA complimentary to ensure the smooth running of the competition.**

**Queries: If there are any queries, please contact the ICA Head Office Team on 01332 203333 during normal office hours (10.00a.m – 4.00p.m).**
